Lehi's Glorious Celebration

...3-Day Record Breaker...

The celebration of July 3rd, 4th and 5th at Lehi, eclipsed all previous records and proved to be an event long to be remembered by the people of that city and the citizens of Garland who gave their support in making it truly a "Mammoth Celebration." Those in attendance from this city pronounced it the most successful affair ever held in that place. Much credit is due the committee who arranged the program for their zealous and united efforts in making the affair a thorough success from beginning to end.

JULY 3rd

When the Garland train pulled into Lehi, 200 people were at the depot to bid our citizens welcome. The bands at once began playing and the reception tendered to Garland's "400" was one not soon to be forgotten.

An open-air concert by the Lehi Silver Band and the Garland Military Band was next in order. The bands then marched to Main Street, followed by the throng, and filled the air with strains of delightful music. On Main a halt was called and both bands entertained the crowd—Garland's band in front of the Opera House and the Lehi band at the drug store corner. The entertainment committee was on hand and found places to accommodate the visitors.

Early in the evening the Garland band gathered at the Opera House and soon drew a crowd to the play, "My Partner's Wife," by the Garland Dramatic Co. Every seat was taken before the theatre began and many were turned away unable to secure standing room. The show was well received and passed off very creditably. Between acts R. L. Bush and Mrs. Marie Wing sang a duet and Donald Kirkham played a cornet solo. After the performance the Lehi Dramatic Co. banqueted the visiting company in fitting style.

JULY 4th

The following program was carried out on July 4th.

Salute of 45 guns at daybreak
Bands serenaded the town—Garland Band in Silver Band Wagon and Lehi's Band in a hayrack.

Sunrise—13 guns in honor of 13 original states. Unfurling Stars and Stripes.
Bands breakfasted at Union Hotel

11—Speech by Rep Geo Austin
12—Music, Garland Military Band
13—Prayer by Chaplain

Among the sentiments read at the meeting Garland was referred to in the following: "The Lost Tribes return, being led back by Moses."
From 1 to 3:20 all kinds of sports were indulged in at the City Park.
The base ball game between Lehi and Garland was called promptly at 2:30 p. m. and proved to be a pleasing part of the day's program. Lehi was certain that their "World-renowned" pitcher would fan our boys to a finish, but they soon found him and patted him to the tall timbers. The game ended in a score of 8 to 3 in favor of Garland.
9 p. m. the City Park was illuminated with a grand display of fire works that equaled anything in the state.
July 4th ended in a grand ball at City Pavilion which was largely attended.

JULY 5th

Our citizens spent the forenoon in visiting relatives, viewing the city, sugar factory and taking in the pleasure resorts.
At 3 p. m. another matched game of ball between Garland and Lehi was played and resulted in defeat of Lehi to the tune of 10 to 2.

Brigham Celebrates In Fitting Style. Good Parade & Program.

From Early Dawn Until the Midnight Hour, There was Something Doing in the County Seat.

The celebration at Brigham July 4th, was a good one, though hardly equalled former demonstrations. Most of the towns throughout the county were well represented. A very pleasing program was carried out and much credit is due the various committees who arranged the celebration.

The printed program, distributed to all, was carried out in every detail. Washakie turned out in mass and the Indians did their part to make the celebration interesting.

The population of Brigham was considerably increased that day. Everything passed off in good style with no serious jars to mar the day's pleasure.

Following was the program of the day: Salute of 18 guns at daybreak
Music Military Band
Hoisting of Stars and Stripes—45 guns at sunrise—Music Military Band
Sheriff Josephson was Marshal of the day

The big street parade was a pleasing feature and was made up of the following in their respective order:

1 Marshal of Day 2 Military Band 3 Goddess of Liberty (Miss Bodil Thompson) in beautiful float 4 City Councilmen and wives in carriages 5 Nine ladies on horseback 6 Ladies' Auxiliary in float 7 Commercial Club on foot 8 Peach Day float 9 Editor Box Elder News and wife on horseback 10 Three Ladies on horseback representing red, white and blue 11 Merrell Lumber Co. float 12 Knudson Bros float 13 Utah Ind Tel Co float 14 Academy of Music float 15 State Bank of B. C. in decorated carriage 16 B. C. Bottling Works float 17 Shetland Pony decorated carriage 18 Girls on bicycles decorated with bunting 19 Eddy Drug Store shetland pony carriage 20 Dewey, the black Percheron 21 B. C. Fire Dept 23 Indians from Washakie 23 W. G. Gidney float 24 Mrs. Serena Hansen representing Indian squaw leading a horse—camp moving 25 Sunny South float—Uncle Tom's Cabin 26 "Huntin' for Loose" float 27 Deseret News carriers horseback, followed by citizens in carriages.

All of the above mentioned floats and carriages were artistically designed and tastefully decorated.

The Military Band was enlarged for the occasion and did excellent work.

A fine program was given at the Central School grounds after which races, cracker-eating, pie-eating, wood-sawing and other contests were indulged in. Willie Ottogary and four Indians of Washakie took a hand at the pie contest, Jas Brown winning out. Then came the Indian War Dance on the elevated platform which was a very pleasing affair.

The matched game of ball between Brigham and Huntsville was the next attraction and the crowd in attendance was the largest seen at the grounds this season. The game was an excellent demonstration of base ball playing and ended in a score of 3 to 2 in favor of Huntsville.

In the evening The Tent Concert at the Tabernacle drew a crowded house and the program rendered was very entertaining. After the concert the amusement halls entertained the crowd in dancing till the midnight hour. A tent show drew quite a crowd who failed to find seats at the concert.

Notice

A report having reached my ears that I had purchased an interest in the Club Saloon, I take this mode of contradicting the same. There is not the slightest ray of truth in the report as I have no interest whatever in the Club or any other saloon and have never entertained any idea of investing in that line of business.

Modest Claims Often Carry the Most Conviction.

When Maxim, the famous gun inventor, placed his gun before a committee of judges, he stated its carrying power to be much below what he felt sure the gun would accomplish. The result of the trial was therefore a great surprise, instead of disappointment. It is the same with the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy. They do not publicly boast of all this remedy will accomplish, but prefer to let the users make the statements. What they do claim, is that it will positively cure Diarrhoea, dysentery, pains in the stomach and bowels and has never been known to fail. For sale by Riter Bros. Drug Co.
